

REIL Origins Dodgeball Exhibition Schedule 2022-23

Exhibition games have been included as an opportunity to evaluate the competitive balance of each team. If necessary small roster changes will be made to the teams if we believe more balance is required.

As such, these exhibition games will not count towards the regular season standings and teams will only be wearing pinnies during these games.

Our dodgeball games are played using half the gym and therefore, we will have 2 games going on at the same time during each time slot, each day.

Before each team's 1st game we will quickly go over how the game is played to ensure everyone is on the same page
